Teaching Surveys

Included in this report:

- Summary of responses to scaled questions
- Response breakdowns
- Student comments
- Results to instructor added custom questions (if applicable)

Understanding and using student feedback:

- We have resources to help you interpret and use results including our faculty worksheet with guided prompts and space to record summaries of feedback, actions, and outcomes.
- Members of our Pedagogy, Practice, & Assessment team are available for consultations and can help with:
  - Interpreting OMET results and developing a course of action if necessary.
  - Exploring various methods of assessment to improve teaching.
- In the future:
  - Discuss, teach, and model giving meaningful feedback with your students and give them multiple opportunities to practice giving feedback.
    - Gather important information about students at the beginning of the term by giving a pre-course survey.
    - Check in with students half way through the term by giving a midterm course survey.
- The Teaching Center offers multiple resources to support teaching and learning.
